

Subject: non-animal testing

Date: Tuesday, June 5, 2007 8:34 PM

Dear Sirs,

Please support the quick conversion to non-animal testing methods and they have done so successfully in Europe. Animals continue to needlessly die and human health suffers as animal tests continue to lead to inaccurate conclusions. I support your immediate acceptance of internationally validated non-animal testing.

Thank you for your anticipated support.

Respectfully yours,

Debbie EFron
